### About us

EILC, a fast-growing Logistics service provider offering logistics solutions to its customers around the world is on a mission to fulfill its vision of being the most customer-friendly logistics service provider and an employer of choice in the Logistics Industry. It has grown to a medium-size company establishing its presence in the region with world-class service to its customers. EILC actively engages in International Freight forwarding in Air, Sea, Couriers, Land transport in GCC, Custom clearance, exhibition logistics, LCL consolidation, container trading and warehousing.

### Our Vision

To Create & lasting partnership with the customers by providing continual improvements in the systems & services. To serve customers, by providing cost effective, technology enabled solution & services which will meet customer expectations.

### Our Mission

To be the best preferred service provide of integrated supply chain solution in the global market and to enhance value to our customers.

### Our Values

Working towards 100% customer satisfaction by providing quality supply chain solution and services.

### Our Line of Services Includes

- ▶ AIR FREIGHT
- ▶ SEA FREIGHT
- ▶ CUSTOMS CLEARANCE
- ▶ WAREHOUSING
- ▶ DOOR TO DOOR
- ▶ PROJECT CARGO

### Our Agent Network

## OUR SERVICES

We provide a complete package of air cargo services and solutions, including air charter, international air freight, import/export services and door-to-door delivery services. For over a decade, Freight Link Express Shipping LLC has been providing reliable services in air freight UAE and around the Globe. We offer comprehensive, cost-saving options for both domestic and international shipments, and our team is dedicated to delivering your shipment with reliability and professionalism every time.

### AIR FREIGHT

- ▶ Delivery timely shipments
- ▶ Visibility of actual and planned movements
- ▶ Automatically calculated "all inclusive" price, including fuel & security (Subject to out of control costs, e.g., screening, duties etc.)
- ▶ Immediate availability of price (including "door to door")
- ▶ Accurate and standardized invoicing.

### SEA FREIGHT

Ocean transportation is a substantial component of the international supply chain. In today's continually changing market you need well-established freight forwarder to take care of your ocean freight arrangements. EILC has access to carriers offering unrivalled standards for global ocean freight. Our leading partners can provide customized logistic schedules to all over the global destination. We take responsibility for the complete co-ordination of your shipments from point of origin to final destination

**FCL** : stands for "Full Container Load". This shipping term is commonly designed for shipping an entire 20 or 40 foot sea freight container.

**LCL** : LCL stands for "Less than Container Load". This shipping term is commonly designed for shipping boxed, crated or palletized cargo that cannot fill an entire 20 or 40 foot sea freight container.

**RORO**: is short for "roll on, roll off". This simply refers to the method by which vehicles and machinery are loaded onto large ocean shipping vessels for transport overseas EILC is a leading provider of such services.

### CUSTOMS CLEARANCE

Our customs clearance team are experts in local specifications, conditions and regulations. This on-the-ground knowledge allows them to handle complete administration & customs procedure. We have good knowledgeable custom clearance employees to clear your shipments on time. We offer complete service of both import and export covering Air, sea & Road shipments.

## WAREHOUSING

We have space for warehouses with necessary equipment's to accommodate customers' needs. With intelligent warehouse management systems & technology, such as pick-by-light, driverless transport systems & automated warehouses, we ensure efficient processes and a high level of process reliability.

## DOOR TO DOOR

We provide Door to door service as we offer complete services for both imports and exports, covering air, sea, road & couriers. We provide trust-based service, prompt response & handle your shipments carefully.

## PROJECT CARGO

We EILC has the equipment, manpower to handle any project cargo. We put your disposal efficient and effective infrastructure facility to handle the cargo. We have experienced and specialized personnel for project cargo logistics and have access to the full range of material handling equipment.
